

333 East Campus Mall

Your Student Services Tower, opening December 2008!

The University of Wisconsin—Madison Student Services Tower in the University Square complex, located at 333 East Campus Mall, is a place for students, faculty, and staff. This multi-use building is located above two floors of retail space, and includes nine floors of vital and vibrant student space and campus offices, and the largest green roof in Madison.

Whether you need a transcript, a flu shot, financial aid information, a course packet, or simply a relaxing place to study with friends, 333 is the place to be!

Offices will occupy 333 beginning December 2008 and January 2009. Please check office Web sites (listed below) to determine relocation dates for the service you're seeking.

Finding us on foot: Use the first-floor entrance on East Campus Mall (between University Avenue and West Johnson Street, parallel to Lake Street). Check Madison Metro for the many bus routes that stop nearby.

Finding us by car: If you park in the University Square parking ramp (entrance on Lake Street), access the UW elevator at the west side of the ramp (look for the UW crest). Note that this is a private ramp, and you will be responsible for parking costs. There is also metered public parking in the basement of Lot 46 and on-street parking in the area.
